

HOW TO COLOR RUDOLPH'S SHINY NOSE By Pillie and Pop

SUPPLIES:
5 REDS (RUBY RED - LIGHT PINK)
2 SKY COLORS (1 MEDIUM AND 1 DARK)
BROWN GLITTER AND WHITE GEL PENS

STEP 1: RED GLOW: WITH THE LIGHTEST RED, DRAW A SOFT HALO AROUND THE NOSE, KEEPING STROKES OFF THE FUR. USING THE NEXT LIGHTEST RED, DRAW A SMALLER HALO INSIDE THE FIRST AND BLEND OUTWARD INTO THE LIGHTEST RED. REPEAT WITH THE 3RD LIGHTEST RED AND BLEND INTO THE 2ND.

STEP 2: SKY GLOW: OUTLINE THE RED HALO WITH THE LIGHTEST SKY COLOR AND GENTLY BLEND IT INTO THE LIGHTEST RED. REPEAT THE OUTLINE WITH THE DARKEST SKY COLOR AND BLEND INTO THE LIGHTEST SKY COLOR

STEP 3: GLOWY NOSE: USING THE 3RD LIGHTEST RED, COLOR A SMALL CIRCLE ON THE SIDE OF THE NOSE NEAREST THE FUR (ABOUT 1/3 OF THE NOSE). USE THE 4TH LIGHTEST RED TO ADD A CIRCLE AROUND THE FIRST SO THE NOSE IS ABOUT 2/3 FILLED. BLEND WITH THE THIRD LIGHTEST SHADE. REPEAT WITH THE DARKEST COLOR OF RED, FILLING IN THE REST OF THE NOSE. BLEND WITH THE FOURTH LIGHTEST SHADE

STEP 4: ANTLERS, HOOVES, AND GLOWY FUR: DRAW A HALO ON THE FUR WITH THE LIGHTEST BROWN TO MATCH THE FIRST HALO. OUTLINE WITH THE 2ND LIGHTEST BROWN AND BLEND. FILL THE REST OF THE FUR WITH THE 3RD LIGHTEST BROWN AND BLEND INTO THE 2ND. USE THE DARKEST BROWN TO COLOR IN THE ANTLERS AND HOOVES.

STEP 5: SPARKLES AND FURRY TEXTURE (OPTIONAL). WITH A WHITE GEL PEN, ADD DOTS AND SPARKLES IN AND AROUND THE NOSE. ADD SMALL STROKES TO THE FUR, LIGHT OVER LIGHT, THEN DARK OVER DARK. BLEND BY OVERLAPPING THE COLORS WHERE THEY MEET. ADD HIGHLIGHTS WITH A WHITE GEL PEN WHERE THE LIGHT HITS THE FUR. ADD SHADOWS WITH THE DARKEST BROWN. ADD GLITTER STROKES TO THE FUR WITH A GLITTER BROWN GEL PEN
